

¹LONGLEAF PINE REALTORS®, INC.
MLS RULES AND REGULATIONS
(Revised June 2024)

Key Definitions

Section 1

Multiple Listing Service (MLS) Defined: A multiple listing service is:

- a facility for the orderly correlation and dissemination of listing information so Participants may better serve their clients and customers and the public
- a means of enhancing cooperation among Participants
- a means by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers
- a means by which Participants engaging in real estate appraisal contribute to common databases

Section 2

Definition of MLS Participant (Policy Statement 7.9):

Where the term REALTOR® is used in this explanation of policy in connection with the word member or the word Participant, it shall be construed to mean the REALTOR® principal or principals, of this or any other association, or a firm comprised of REALTOR® principals participating in a multiple listing service owned and operated by the Association. Participatory rights shall be held by an individual principal broker unless determined by the Association or MLS to be held by a firm. It shall not be construed to include individuals other than a principal or principals who are REALTOR® members of this or any other association, or who are legally entitled to participate without association membership. However, under no circumstances is any individual or firm, regardless of membership status, entitled to MLS membership or participation unless they hold a current, valid real estate broker's license and cooperate, or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal or real property. Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchases and tenants when it is in the best interests of their clients. Use of information developed by or published by an association multiple listing service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm **cooperates** means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS, **shares information on listed property, and makes property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients, and to cooperate.** "Actively" means on a continual and ongoing basis during the operation of the Participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part-time seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

The key is that the participant or potential Participant **cooperates** with respect to properties of the type that are listed on the MLS in which participation is sought. **Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients** This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a "Virtual Office Website "(VOW) (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to **cooperate**. An MLS may evaluate whether a Participant or potential Participant actively endeavors during the operation of its real estate business to **cooperate** only if MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all Participants and potential Participants.

Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed by or published by an association multiple listing service where access to such information is prohibited by law. Additionally, the foregoing does not prohibit association multiple listing services, at their discretion, from categorizing non-principal brokers, sales licensees, licensed and certified appraisers and others affiliated with the MLS members or participants as users or subscribers and, holding such individuals personally subject to the rules and regulations and any other governing provisions of the MLS and to discipline for violations thereof. MLSs may, as a matter of local determination, limit participatory rights to individual principal brokers, or to their firms, and to licensed or certified appraisers, who maintain an office or Internet presence from which they are available to represent real estate sellers, buyers, lessors or lessees or from which they provide appraisal services.

(Amended 5/02)

Where the terms subscriber or user are used in connection with a multiple listing service owned or operated by an association of REALTORS®, they refer to non-principal brokers, sales licensees, and licensed and certified real estate appraisers affiliated with an MLS participant and my, as a matter of local option, also include a participant's affiliated unlicensed administrative and clerical staff, personal assistants, and individuals seeking licensure or certification as real estate appraisers provided that any such individual is under the direct supervision of an MLS participant or the participant's licensed designee. If such access is available to unlicensed or uncertified individuals, their access is subject to the rules and regulations, the payment of applicable fees and charges (if any), and the limitations and restrictions of state law. None of the foregoing shall diminish the participants ultimate responsibility for ensuring compliance with the rules and regulations of the MLS by all individuals affiliated with the participant. (Adopted 4/92)

Under the Board of Choice policy, MLS participatory rights shall be available to any REALTOR® (principal) or any firm comprised of REALTORS® (principals) irrespective of where they hold primary membership subject only to their agreement to abide by an MLS rules and regulations; agreement to arbitrate disputes with other participants; and payment of any MLS dues, fees and charges. Participatory rights granted under Board of Choice do not confer voting privileges or eligibility for office as an MLS committee member, officers, or director, except as granted at the discretion of the local board and /or MLS. (Amended 5/97)

The universal access to services component of Board of Choice is to be interpreted as requiring that MLS participatory rights be available to REALTOR® principals, or to firms comprised of REALTOR® principals, irrespective of where primary or secondary membership is held.

The MLS may charge Participants and Subscribers not holding primary or secondary membership in a REALTOR® Association that owners the MLS a different amount than charged to members of the association, provided that such charge is reasonably related to the actual costs of serving those members. (Amended 5/19)

None of the foregoing shall be construed as requiring an association to grant MLS participatory rights, under Board of Choice, where such rights have been previously terminated by action of that association's board of directors. (Adopted 11/95)

Section 3

Definitions of Various types of Listing Agreements (Policy Statement 7.50):

Except where state law provides otherwise, the following terms shall be defined as follows when used in rules and regulations of any multiple listing service owned or operated by one or more associations of REALTORS®. (Amended 5/06)

Exclusive Right to Sell Listing: A contractual agreement under which the listing broker acts as the agent or as the legally recognized non-agency representative of the seller(s), and the seller(s) agree to pay a commission to the listing broker, regardless of whether the property is sold through the efforts of the listing broker, the seller(s), or anyone else; and a contractual agreement under which the listing broker acts as the agent or as the legally recognized non-agency representative of the seller(s), and the seller(s) agrees to pay a commission to the listing broker regardless of whether the property is sold through the efforts of the listing broker, the seller(s), or anyone else, except that the seller(s) may name one or more individuals or entities as exemptions in the listing agreement and if the property is sold to any exempted individual or entity, the seller(s) is not obligated to pay a commission to the listing broker. (Amended 5/06)

Exclusive Agency Listing: A contractual agreement under which the listing broker acts as the agent or as the legally recognized non-agency representative of the seller(s), and the seller(s) agrees to pay a commission to the listing broker if the property is sold through the efforts of any real estate broker. If the property is sold solely through the efforts of the seller(s), the seller(s) is not obligated to pay a commission to the listing broker. (Amended 5/06)

Open Listing: A contractual agreement under which the listing broker acts as the agent or as the legally recognized non-agency representative of the seller(s), and the seller(s) agrees to pay a commission to the listing broker only if the property is sold through the efforts of the listing broker. (Amended 5/06)

Note: These definitions are provided to facilitate categorization of listings in MLS compilations. In any area of conflict or inconsistency, state law or regulation takes precedence. If state law permits brokers to list property, on either an exclusive or open basis, without establishing an agency relationship, listings may not be excluded from MLS compilations on the basis that the listing broker is not the seller's agent. (Adopted 11/93, Amended 5/06)

Section 4

Listing Content Defined (Policy Statement 7.86)

"Listing content" as used in the National Associations' multiple listing policies, including the model MLS rules and regulations, includes, but is not limited to, photographs,

images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property.

Listing Procedures

Section 1 Listing Procedures: Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the territorial jurisdiction of the Multiple Listing Service, and are taken by participants on exclusive right to sell and exclusive agency listings shall be delivered to the Multiple Listing Service within forty eight (48) hours after all necessary signatures of seller(s) have been obtained:

- a. single family homes for sale or exchange
- b. vacant lots and acreage for sale or exchange
- c. two-family, three-family, and four-family residential buildings for sale or exchange

Note 1: The Multiple Listing Service shall not require a participant to submit listings on a form other than the form the participant individually chooses to utilize provided the listing is of a type accepted by the service, although a property data form may be required as approved by the Multiple Listing Service. However, the Multiple Listing Service, through its legal counsel:

*may reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the participants

*assure that no listing form filed with the Multiple Listing Service establishes, directly or indirectly, any contractual relationship between the Multiple Listing Service and the client (buyer or seller)

The Multiple Listing Service shall accept exclusive right-to-sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to cooperate with other participants of the Multiple Listing Service acting as subagents, buyer agents, or both.

The listing agreement must include the Seller's written authorization to submit the agreement to the Multiple Listing Service.

The different types of listing agreements include:

- *exclusive right to sell
- *exclusive agency
- *open
- *net

The Service may not accept **net listings** because they are deemed unethical and, in most states, illegal. **Open listings** are not accepted, except where required by law, because the inherent nature of any open listing **Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interest of their clients.**

The **exclusive right to sell** listing is the form of listing where the seller exclusive authorization to the listing broker to cooperate with other brokers in the sale of the property.

The **exclusive agency** listing also authorizes the listing broker, as exclusive agent, to cooperate with other brokers in the sale of the property, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right to sell listings with named prospects exempt should be clearly distinguished by a simple designation such as a code or symbol from exclusive right to sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings with no named prospects exempt. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right to sell listings with prospect reservations.

Note 2: A Multiple Listing Service does not regulate the type of listings its members may take. This does not mean that a Multiple Listing Service must accept every type of listing. The Multiple Listing Service shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. But, if it chooses to limit the kind of listings it will accept, it shall leave its members free to accept such listings to be handled outside the Multiple Listing Service.

Note 3: A Multiple Listing Service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings.

Section 1.01 Clear Cooperation: Within one (1) business day of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS participants. Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public. (Adopted 11/19)

Note: Exclusive listing information for required property types must be filed and distributed to other MLS Participants for cooperation under the Clear Cooperation Policy. This applies to listings filed under Section 1 and listings exempt from distribution under Section 1.3 of the NAR model MLS rules, and any other situation where the listing brokers is publicly marketing an exclusive listing that is required to be filed with the service and is not currently available to other MLS Participants.

Section 1.1 Listings Subject to Rules and Regulations of Service: Any listing taken on a contract to be filed with the Multiple Listing Service is subject to the rules and regulations of the Service upon signature of the seller(s).

Section 1.2 Detail on Listings Filed with the Service: A listing agreement or property data form, when filed with the Multiple Listing Service by the listing broker, shall be complete in every detail which is ascertainable as specified on the property data form.

Section 1.20 Accuracy of Listing Data: Participants and subscribers are required to submit accurate listing data and required to correct any known errors.

Section 1.2.1 Limited Service Listings: Listing agreements under which the listing broker will not provide one, or more, of the following services:

- a. arrange appointments for cooperating brokers to show listed property to potential purchasers but instead gives cooperating brokers authority to make such appointments directly with the seller(s)
- b. accept and present to the seller(s) offers to purchase procured by cooperating brokers but instead gives cooperating brokers authority to present offers to purchase directly to the seller(s)
- c. advise the seller(s) as to the merits of offers to purchase
- d. assist the seller(s) in developing, communicating, or presenting counter-offers
- e. participate on the seller's (s) behalf in negotiations leading to the sale of the listing property

will be identified with an appropriate code or symbol (e.g., Limited Representation or Y/N) in MLS compilations so potential cooperating brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for cooperating brokers being asked to provide some or all of these services to listing brokers' clients, prior to initiating efforts to show or sell the property.

Section 1.3 Exempt Listings: If the seller refuses to permit the listing to be disseminated by the service, the participant may then take the listing (office exclusive) and such listing shall be filed with the service but not disseminated to the Participants. Filing of the listing should be accompanied by certification signed by the seller that he does not desire the listing to be disseminated by the service.

Note: MLS Participants must distribute exempt listings within one (1) business day once the listing is publicly marketed. See Section 1.01, Clear Cooperation.

Section 1.4 Change of Status of Listing: Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the service within two (2) business days after the authorized change is received by the listing broker.

Section 1.5 Withdrawal of Listing Prior to Expiration: Listings of property may be withdrawn from the Multiple Listing Service by the listing broker before the expiration date of the listing agreement, provided notice is filed with the Service,

Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that his or her exclusive relationship with the listing broker has been terminated, the Multiple Listing Service may remove the listing at the request of the seller. (Adopted 11/96)

Section 1.6 Contingencies Applicable to Listings: Any contingency or conditions of any term in a listing shall be specified and noticed to the Participants.

Section 1.7 Listing Price Specified: The full gross listing price stated in the listing contract will be included in the information published in the MLS compilation of current listings, unless the property is subject to auction. (Amended 11/92)

Section 1.8 Listing Multiple Unit Properties: All properties which are to be sold or which may be sold separately must be indicated individually in the listing and on the property data form. When part of a listed property has been sold, proper notification should be given to the multiple listing service.

Section 1.9 No Control of Commission Rates or Fees Charged by Participants: The Multiple Listing Service shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, the Multiple Listing Service shall not fix, control, recommend, suggest, or maintain the divisions of commissions or fees between cooperating participants or between participants and nonparticipants.

Section 1.10 Expiration of Listings: Listings filed with the Multiple Listing Service will automatically be removed from the compilation of current listings on the expiration date specified in the agreement, unless prior to that date the MLS receives notice that the listing has been extended or renewed. (Amended 11/01)

If notice of renewal or extension is received after the listing has been removed from the compilation of current listings, the extension or renewal will be published in the same

manner as a new listing. Extensions and renewals of listings must be signed by the seller(s) and filed with the service. (Amended 11/01)

Section 1.11 Termination Date on Listings: Listings filed with the service shall bear a definite and final terminations date, as negotiated between the listing broker and the seller.

Section 1.12 Service Area: Only listings of the designated types of property located within the service area of the MLS are required to be submitted to the service. Listings of property located outside the MLS's service area will be accepted if submitted voluntarily by a participant, but cannot be required by the service (Amended 11/17)

Note: Associations must choose whether the service will accept listings from beyond its service area into the MLS compilation (Amended 11/17)

Section 1.13 Listings of Suspended Participants: When a Participant of the service is suspended from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS by the suspended participant shall, at the participant's option, be retained in the service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a participant has been suspended from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the suspended participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended participant's listing from the MLS, the suspended participant should be advised, in writing, of the intended removal so that the suspended participant may advise his clients.

Section 1.14 Listings of Expelled Participants: When a participant of the service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS by the expelled participant shall, at the participant's option, be retained in the service until sold, withdrawn, or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a participant has been expelled from the association (except where MLS participation without association is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the expelled participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled participant's listings from the MLS,

the expelled participant should be advised, in writing, of the intended removal so that the expelled participant may advise his clients.

Section 1.15 Listings of Resigned Participants: When a participant of the service resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned participant's listings in the MLS compilation of current listing information. - a. the listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- b. after reasonable effort, the cooperating broker cannot contact the listing broker or his representative; however, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers. (Amended 4/92)

Section 2.1 Presentation of Offers: The listing broker must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so. (Amended 4/92)

Section 2.2 Submission of Written Offers and Counter-offers: The listing brokers shall submit to the seller all written offers until closing unless precluded by law, government rule, regulations, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated. (Amended 11/05)

Section 2.3 Right of Cooperating Broker in Presentation of Offer: The cooperating broker (subagent or buyer agent) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. (Amended 4/92)

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, as soon as practical, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented. (Adopted 11/19)

He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except when the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions. (Adopted 11/93)

Section 2.5 Reporting Sales to the Service: Status changes, including final closing of sales and sales prices, shall be reported to the multiple listing service by the listing broker within 48 (forty eight) hours after they have occurred. If negotiations were carried on under Section 2 a. or b. hereof, the cooperating broker shall report accepted offers to the listing broker within 48 (forty eight) hours after occurrence and the listing

broker shall report them to the MLS within 48 (forty eight) hours after receiving notice from the cooperating broker. (Amended 11/11)

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants. (Amended 11/01)

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

1. categorizes sale price information as confidential and
2. limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challengers; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices. (Adopted 11/11)

Note 3: As established in the Virtual Office Website ("VOW") policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records. (Adopted 11/11)

Section 2.6 Reporting Resolutions of Contingencies: The listing broker shall report to the multiple listing service within twenty four (24) hours that a contingency on file with the multiple listing service has been fulfilled or renewed, or the agreement cancelled.

(Amended 11/08)

Section 4.2 Sold Signs: Prior to closing, only the sold signs of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign. (Amended 4/96)

Section 4.3 Solicitation of Listing Filed with the Service: Participants shall not solicit a listing on a property filed with the service unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice, and its Case Interpretations.

Note: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standards of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the service by assuring them that other participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

Section 4.4 Use of the Terms MLS and Multiple Listing Service: No MLS participant, subscriber or licensee affiliated with any participant shall, through the name of their firm, their URL's, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. (Adopted 11/07)

Section 4.5 Services Advertised as "Free": MLS Participants and Subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the Participant or Subscriber will receive no financial compensation from any source for those services.

Section 4.6, No Filtering of Listings: Participants and Subscribers must not filter out or restrict MLS listings that are communicated to customers or clients based on the existence or level of compensation offered to the cooperating broker or the name of a brokerage or agent.

Section 5 No Compensation Specified on Listings:

Participants, Subscribers, or their sellers may not make offers of compensation to buyer brokers and other buyer representatives in the MLS.

Use of MLS data or data feeds to directly or indirectly establish or maintain a platform to make offers of compensation from multiple brokers to buyer brokers or other buyer representatives is prohibited and must result in the MLS terminating that Participant's access to any MLS data and data feeds.

Note 1: The multiple listing service **must** not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The multiple listing service **must prohibit disclosing** in any way the total commission negotiated between the seller and the listing broker, **or total broker compensation (i.e., combine compensation to both listing brokers and buyer brokers.**

Note 2: The multiple listing service shall make no rule on the division of commissions between participants and nonparticipants. This should remain solely the responsibility of the listing broker.

Note 3: Multiple listing services must give Participants the ability to disclose to other Participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple Listing Services may, as a matter of local discretion, require Participants to disclose potential short sales when Participants know a transaction is a potential short sale.

Section 5.0.0: Disclosures of Compensation: MLS Participants and Subscribers must:

1: Disclose to prospective sellers and buyers that broker compensation is not set by law and is fully negotiable. This must be included in conspicuous language as part of any listing agreement, and pre-closing disclosure documents (if any).

2: Conspicuously disclose in writing to sellers, and obtain the seller's authority, for any payments or offer of payment that the listing Participant or seller will make to another broker, agent, or other representative (e.g. real estate attorney) acting for buyers. This disclosure must include the amount or rate of any such payment and be made in writing in advance of any payment or agreement to pay.

Section 5.0.2: Written Buyer Agreement: Unless inconsistent with state or federal law or regulation, all MLS Participants working with a buyer must enter into a written agreement with the buyer prior to touring a home. The written agreement must include:

- a. **a specific and conspicuous disclosure of the amount or rate of compensation the Participant will receive or how this amount will be determined, to the extent that the Participant will receive compensation from any source.**
- b. **the amount of compensation in a manner that is objectively ascertainable and not open-ended.**
- c. **a term that prohibits the Participant from receiving compensation for brokerage services from any source that exceeds the amount or rate agreed to in the agreement with the buyer; and**
- d. **a conspicuous statement that broker fees and commissions are notset by law and are fully negotiable.**

Section 5.1 Participant as Principal: If a participant or any licensee (or licensed or certified appraiser) affiliated with a participant has any ownership interest in a property, the listing of which is to be disseminated through the multiple listing service, that person shall disclose that interest when the listing is filed with the multiple listing service and such information shall be disseminated to all multiple listing service participants.

Section 5.2 Participant as Purchaser: If a participant or any licensee (including licensed and certified appraisers) affiliated with a participant wishes to acquire an interest in property listed with another participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker. (Adopted 2/92)

Service Charges

Section 6 Service Fees and Charges: The following service charges for operation of the multiple listing service are in effect to defray the costs of the service and are subject to change from time to time in the manner prescribed:

Initial Participation Fee: An applicant for participation in the service shall pay an application fee of **\$1,000.00** with such fee to accompany the application.

Recurring Participation Fee: The annual participation fee of each participant shall be an amount equal to **\$635.00** times each salesperson and licensed or certified appraiser who has access to and use of the service, whether licensed as a broker, sales licensee, or

licensed or certified appraiser who is employed by or affiliated as an independent contractor with such participant. Payment of such fees shall be made on or before the first day of the fiscal year of the multiple listing service. Fees shall be prorated on a monthly basis.

However, MLSs must provide participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS or CIE where the principal broker participates. MLSs may, at their discretion, require that broker participants sign a certification for nonuse of its MLS services by their licensees, which can include penalties and termination of the waiver if violated.

Fees:

MLS Service fees for operation of the MLS system are billed each quarter and are subject to change from time to time. Participants shall be notified in writing as such changes occur. The Board of Directors will establish fees and other charges as are necessary to meet the costs of the MLS service.

Responsibility for Payment of Charges: Payment of all MLS service fees shall be the responsibility of the Participant, including those charges incurred by brokers and appraisers who are fully licensed or certified and associated with the Participant firm. Every licensee (including licensed and certified appraisers) who is affiliated with the Participant's firm as determined by the MLS shall be enrolled as a subscriber of the MLS service, except those licensees subject to a fee waiver under Section 6 Service Charges, MLS Rules and Regulations.

Penalty for Non-Payment of Charges: In the event that a Participant, or any subscriber affiliated with the Participant, is delinquent in payment to the MLS, the following provisions for enforcement will apply:

- a) **For failure to pay MLS fees charged associated with any subscriber by the due date, that subscriber's services shall be suspended until such fees are paid in full.**
- b) **For failure to pay any fees charged within one month after the due date relating to any subscriber in the Participant firm, services of the Participant firm shall be suspended until such fees are paid in full. The MLS shall have the authority to establish an additional charge for resuming services which have been suspended.**
- c) **For failure to pay all fees charged within two weeks after suspension of the Participant firm, MLS services of the Participant firm shall be terminated.**
- d) **Once a Participant firm has been terminated for nonpayment, that firm will have to pay all amounts which were past due at the time of termination.**

Failed Credit Card and Debit Card Payments: Credit cards and debit cards that fail shall be reported by the MLS to the individual billed. When a Participant is delinquent in payment to the MLS the provisions under the “Penalty for Non-Payment of Charges” apply. When a credit card or debit card expires, it is the responsibility of the card owner to notify the MLS of the new expiration date.

Fines: Any MLS Participant/Agent that gives their login and password to unauthorized persons shall be fined \$1,000.00 (one thousand dollars).

Any Participant that fails to include street address in the closed information (within 48 hours of change of status) will be fined \$100 (one hundred) for each listing that is not in compliance. This fine will be after the company is warned in writing of the discrepancy. If they still do not update the data, then the Participant will be summoned before the MLS Committee for a hearing and face suspension from MLS. **This policy includes any violation of MLS data.**

If a Participant/Subscriber is found in violation of communicating any reference, words or images about commissions or compensation into the MLS, there will be a \$1,000.00 fine for the first offense and a second offense would mean expulsion from the MLS.

Also, failure to comply with the MLS Rules and Regulations and the IDX Rules and Regulations can result in expulsion and/or fines up to \$1,000.00 (one thousand dollars).

Compliance with Rules

Section 7 Compliance with Rules—Authority to Impose Discipline: By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. appropriate, reasonable fine not to exceed \$15,000.00 (fifteen thousand dollars)
- e. suspension of MLS rights, privileges, and services for not less than 30 (thirty) days nor more than 1(one) year

f. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed 3 (three) years. (Revised 11/14)

Note 1: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. A subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (Revised 5/14)

Note 2: MLS participants and subscribers can receive no more than three (3) administrative sanctions in a calendar year before they are required to attend a hearing for their actions and potential violations of MLS rules, except that the MLS may allow more administrative sanctions for violations of listing information provided by participants and subscribers before requiring a hearing. The MLS must send a copy of all administrative sanctions against a subscriber's participant and the participant is required to attend the hearing of a subscriber who have received more than three (3) administrative sanctions within a calendar year. (Adopted 11/20)

Section 7.1 Compliance with Rules: The following action may be taken for noncompliance with the rules:

- a. for failure to pay any service charge or fee within 1 (one) month of the date due, and provided that at least 10 (ten) days notice has been given, the service shall be suspended until service charges or fees are paid in full
- b. for failure to comply with any other rule, the provisions of Section 9 and 9.1 shall apply

Note: Generally, warning, censure, and the imposition of a moderate fine are sufficient to constitute a deterrent to violation of the rules and regulations of the multiple listing service. Suspension or termination is an extreme sanction to be used in cases of extreme or repeated violation of the rules and regulations of the service. If the MLS desires to establish a series of moderate fines, they should be clearly specified in the rules and regulations. (Amended 11/88)

Meetings

Section 8 Meetings of MLS Committee: The Multiple Listing Service shall meet for the transaction of its business at a time and place to be determined by the committee or at the call of the chairperson.

Section 8.1 Meetings of MLS Participants: The committee may call meetings of the participants in the service to be known as meetings of the multiple listing service.

Section 8.2 Conduct of Meetings: The chairperson shall preside at all meetings or, in their absence; a temporary chairperson from the membership of the committee shall be named by the chairperson or, upon his failure to do so, by the committee.

Enforcement of Rules and Disputes

Section 9 Consideration of Alleged Violations: The committee shall give consideration to all written complaints having to do with violations of the rules and regulations. By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which are at the sole discretion of the Committee (Board of Directors). (Amended 5/18)

When requested by a complainant, the MLS will process a complaint without revealing the complainant's identity. If a complaint is subsequently forwarded to a hearing, and the original complainant does not consent to participating in the process, the MLS will appoint a representative to serve as the complainant. (Amended 11/20)

Section 9.1 Violation of Rules and Regulations: If the alleged offense is a violation of the rules and regulations of the service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the multiple listing service committee, and if a violation is determined, the committee may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the professional standards committee of the association in accordance with the bylaws and rules and regulations of the Association of REALTORS® within 20 (twenty) days following receipt of the committee's decision. (Amended 11/96)

If, rather than conducting an administrative review, the multiple listing service committee has a procedure established to conduct hearings, the decision of the multiple listing committee may be appealed to the board of directors of the Association of REALTORS® within 20 (twenty) days of the tribunal's decision being rendered. Alleged violations involving unethical conduct shall be referred to the

Association's grievance committee for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the Association of REALTORS®. (Amended 2/98)

Section 9.2 Complaints of Unethical Conduct: All other complaints of unethical conduct shall be referred by the committee to the secretary of the Association of REALTORS® for appropriate action in accordance with the professional standards procedures established in the Association's bylaws. (Amended 11/88)

Section 9.3. Complaints of Unauthorized Use of Listing Content: Any Participant who believes another Participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in the Section 9.3. of the MLS rules.

Upon receiving a notice, the committee (Board of Directors) will send the notice to the Participant who is accused of unauthorized use. Within ten (10) days **from** receipt, the Participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the committee (Board of Directors) that the use is authorized. Any proof submitted will be considered by the Committee (Board of Directors), and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the Committee (Board of Directors) determines that the use of the content was unauthorized, the Committee (Board of Directors) may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules that too will be considered at the time of establishing appropriate sanction.

If after ten (10) days following transmittal of the Committee's (Board of Director's) determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law. (Adopted 5/18)

Section 9.4 MLS Rules Violations: MLS Participants may not take legal action against another Participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules. (Adopted 5/18)

Confidentiality of MLS Information

Section 10 Confidentiality of MLS Information: Any information provided by the multiple listing service to the participants shall be considered official information of the service. Such information shall be considered confidential and exclusively for the use of participants and real estate licensees affiliated with such participants and those participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such participants. (Amended 4/92)

Section 10.1 MLS Not Responsible for Accuracy of Information: The information published and disseminated by the service is communicated verbatim, without change by the service, as filed with the service by the participant. The service does not verify such information provided and disclaims any responsibility for its accuracy. Each participant agrees to hold the service harmless against any liability arising from any inaccuracy or inadequacy of the information such participant provides.

Ownership of MLS Compilation* and Copyright

Section 11: By the act of submitting any property listing content to the MLS, the Participant represents and warrants that he or she is fully authorized to license the property listing content as contemplated by and in compliance with this section and these rules and regulations, and also thereby does grant to the MLS license to include the property listing content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details of information related to the listed property. (Amended 5/18)

Each Participant who submits listing content to the MLS agrees to defend and hold the MLS and every other Participant harmless from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content. (Adopted 5/18)

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or "safe harbors" from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of "online service provider" broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this harbor, the OSP must:

1. Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.
2. Develop and post a DMCA-compliant website policy that addresses repeat offenders.
3. Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
4. Have no actual knowledge of any complained-of infringing activity.
5. Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
6. Not received a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information see 17 U.S.C. 512 (Adopted 11/15)

Use of Copyrighted MLS Compilation

Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations.(Amended 5/14)

*It is intended that the Participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bonafide interest in purchasing or in which the Participant is seeking to promote interest. The term reasonable, as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchasers' decision making process in the consideration of a purchase.
